AUTHORIZATION FOR RELEASE OF HEALTH INFORMATION

Instructions: This form must be completed for any person or organization that you want Mindful Therapy Group to be able to share scheduling, billing, payment, or clinical information with. If you will be handling all the coordination of your care independently, then in most cases a Release of Information does not need to be completed. **This form must be completed and signed by the client.**

Important for Clients Age 14-17: Under Oregon state law, if your child is age 14+, they are their own decision maker for behavioral health treatment and will need to complete a Release of Information for any information to be disclosed to their parent/guardian. If the adolescent client has not completed a Release of Information, we will be unable to acknowledge that they are a client of Mindful Therapy Group to anyone, **including parents/guardians that call in to coordinate scheduling, payments, or other requests on behalf of their child. For adolescents ages 14-17 that want to give their parent/guardian permission to access their healthcare information, this form must be signed by the client themselves, not the parent/guardian.** For more information on Oregon's law, please refer to ORS 109.675.

If you have any further questions regarding this document, you can refer to our Release of Information FAQ page on the Mindful Therapy Group Website.
